Dear Mr. Lindland:

**Re: Decker Manufacturing Corp.  
Albion, Michigan**

Please send me a copy of the 104 responses filed by Cooper Industries and Corning Incorporated. These documents do not appear to be in the documents we had obtained previously.

This is also to confirm that, pursuant to our telephone discussion on January 23, you will send me a copy of the complete transcripts that were made during the course of the EPA investigation in this matter, and a copy of the Eagle Pitcher Settlement Agreement and Judgment.

I have received the index of the Administrative Record you had Leah Evison send me. One of the attachments sent is a section called "Compendium of CERCLA Response Selection Guidance Documents Index," pages 69 through page 83. Unfortunately, pages 71 through 83 are of extremely poor quality and cannot be read. It would be appreciated if you could determine if a good quality copy can be obtained so those pages could be replaced.

Your cooperation in this matter is appreciated.

Yours very truly,

BULLEN, MOILANEN,  
KLAASEN & SWAN, P.C.
